The Joint Commission and Joint Commission Resources

Environment of Care and Exploring the Life Safety Chapter in Ambulatory Care Settings

March 19-21, 2024 • Live Webcast

PROGRAM OBJECTIVES:

1. Compare and contrast your organization's current survey process for accreditation compliance to The Joint Commission's Environment of Care (EC) and Life Safety (LS) chapters as presented in this program
2. Implement The Joint Commission requirements for managing compliance with the EC elements within your organization
3. Review the core and ambulatory healthcare occupancy specific requirements of the Life Safety Chapter
4. Analyze the Joint Commission requirements for managing compliance with the Life Safety Code
5. Review facility scenarios for environment of care and life safety standards applicability
