

# Exhibitor Guide

## 2024 Annual Emergency Management Conference

Orlando, FL | June 19-20, 2024

Thank you for participating in The Joint Commission and Joint Commission Resources 2024 Annual Emergency Management Conference. An exciting part of this conference is the exhibit area and we encourage you to visit our group of selected vendors. They bring new and innovative products and services devoted to emergency preparedness and safety.

---

### Exhibit Hours

Exhibits and poster presentations will be located in the Universal Center during breakfasts, breaks, lunches, and reception.

---

## Joint Commission Resources – Education & Digital Learning Center

Paul Gave

pgave@jcrinc.com

<https://www.jcrinc.com/what-we-offer/digital-learning-center/>

The Digital Learning Center (DLC) is JCR's comprehensive virtual learning platform. It features webinars, videos, select e-books and digital newsletters, sample policy and procedure templates, and other resources. All the content and learning you need regarding accreditation, quality, and patient safety are conveniently accessible in one place and available to everyone in your organization as an annual subscription. JCR is your trusted resource for learning and compliance strategies to ensure that your health care organization provides the safest, high-quality care and services.

## Joint Commission Resources – Software

Oscar Cisneros

eproductmanager@jcrinc.com

[www.jcrinc.com/what-we-offer/software/](http://www.jcrinc.com/what-we-offer/software/)

Tracers with AMP® enables you to efficiently collect, analyze and visualize real-time data. Eliminate hours of manually manipulating data by accessing user-friendly, interactive dashboards and easy-to-build automated reports that will help you proactively identify risk areas, prioritize improvements, compare key performance indicators, document changes and track progress over time. Tracers with AMP® is available for all health care settings across the continuum of care, giving you the ability to see a high level view of your organization or system and conduct a deep dive into specific departments or locations.

## Joint Commission Resources – Publications

Catherine Hinckley

chinkley@jcrinc.com

[www.jcrinc.com/what-we-offer/publications/](http://www.jcrinc.com/what-we-offer/publications/)

Official publisher of The Joint Commission. An expert resource for health care organizations, providing products and services to assist in improving quality and safety and to help in meeting the accreditation standards of The Joint Commission.

## Joint Commission Resources – Advisory Services

Kristine Slepicka

kslepicka@jcrinc.com

[www.jcrinc.com/what-we-offer/advisory-services/](http://www.jcrinc.com/what-we-offer/advisory-services/)

Solutions-based advisory services for Accreditation and Certification Preparation, CMS, Environment of Care, Medication Safety, Safe Health Design, Interim Quality Services and Infection Prevention and Control, either virtually or on-site. Subscription-based Continuous Service Readiness\* (CSR\*) program provides organizations with guidance, tools, and leading practices from a dedicated expert.

\*The use of Joint Commission Resources (JCR) Advisory Services is not necessary to obtain a Joint Commission Accreditation award, nor does it influence the granting of such awards.
