

Exhibitor Guide

2025 Annual Emergency Management Conference

Orlando, FL | April 22-23, 2025

Thank you for participating in The Joint Commission and Joint Commission Resources 2025 Annual Emergency Management Conference. An exciting part of this conference is the exhibit area and we encourage you to visit our group of selected vendors. They bring new and innovative products and services devoted to emergency preparedness and safety.

Exhibit Hours

Exhibits will be located in the Universal Center during breakfasts, breaks, lunches, and reception.

U.S. Department of Labor – Occupational Safety and Health Administration

Orlando, FL
Amy E. Wilson
Compliance Assistance Specialist
wilson.amy@dol.gov

www.osha.gov

OSHA's mission is to assure America's workers have safe and healthful working conditions free from unlawful retaliation. OSHA carries out its mission by setting and enforcing standards; enforcing anti-retaliation provisions of the OSH Act and other federal whistleblower laws; providing and supporting training, outreach, education, and assistance; and working collaboratively with our state OSHA programs as well as ensuring that they are at least as effective as federal OSHA, furthering a national system of worker safety and health protections.

Joint Commission Resources – Publications

Catherine Hinckley
chinckley@jcrinc.com

www.jcrinc.com/what-we-offer/publications/

Official publisher of The Joint Commission. An expert resource for health care organizations, providing products and services to assist in improving quality and safety and to help in meeting the accreditation standards of The Joint Commission.

The Joint Commission - Comprehensive Enterprise Solutions for Healthcare Organizations

Mary Kay Bowie
mbowie@jointcommission.org

www.jointcommission.org/what-we-offer/

Meet the team dedicated to supporting our accredited organizations by proactively identifying opportunities to enhance value throughout the accreditation cycle. This team collaborates closely with these organizations to understand their patient safety, quality, and operational goals. By aligning the Joint Commission's unique offerings and resources with the organizations' goals, they help organizations achieve their objectives and deliver exceptional patient care.

Joint Commission Resources – Software and Digital Learning Center

Oscar Cisneros
eproductmanager@jcrinc.com

www.jcrinc.com/what-we-offer/software/

Tracers with AMP® enables you to efficiently collect, analyze and visualize real-time data. Eliminate hours of manually manipulating data by accessing user-friendly, interactive dashboards and easy-to-build automated reports that will help you proactively identify risk areas, prioritize improvements, compare key performance indicators, document changes and track progress over time.

The Digital Learning Center (DLC) is JCR's comprehensive virtual learning platform. It features webinars, videos, select e-books and digital newsletters, sample policy and procedure templates, and other resources. All the content and learning you need regarding accreditation, quality, and patient safety are conveniently accessible in one place and available to everyone in your organization as an annual subscription.
